

## Why Buy Travel Insurance

When travelling outside of your home province, territory or country, your government health care plans don't travel with you. Travel insurance bridges that gap in coverage to help you stay protected during a medical emergency. Be sure to carry travel insurance to safeguard your finances and enjoy a worry-free trip.

## About Us

Whether you are still in school, well into retirement, a world traveller or off on a quick weekend escape, the CUMIS Travel Insurance Program provides many travel insurance options to fit your lifestyle.

Our travel insurance team has over 50 years' experience in the travel health insurance market and is 100% focused on helping members stay protected while away from home.

Wherever you go, we will be there 24/7 to deliver caring, knowledgeable, multi-lingual service and assistance in travel emergencies.
